

Bugs  
Patricia C. McKissack

Where? Up there.

One fat red bug.

Where? Under here.

Two long skinny yellow bugs.

Bugs. bugs, bugs.

Where? Over there.

Three fat green bugs with two big eyes.

Bugs. bugs, bugs, bugs.

Where? In here.

Four bugs with four hundred feet.

Where? Out there.

Five little bugs that fly here and there.

Bugs, bugs. Lots of bugs.

Where, where? Everywhere!
